McHenry County Continuum of Care to End Homelessness MEETING MINUTES

4.0 Presentation

4.1 Housing and Coordination – Carrie Callery, ISC Housing and Outreach Coordinator

5.0 Review and Approval of Meeting Minutes

5.1 Approval of the March 16, 2023 CoC Full Board meeting minutes

Sue Rose requested a change to reflect a challenge that MCHA's challenge was not with rental assistance but rather past due rent program. Deb Macrito made a motion with the change. Bill Meath seconded. The motion carried.

5.2 Review of March 2, 2023 Steering Council minutes

Brandon Kyker made a motion to approve the minutes. Sue Rose seconded. All in favor, the motion carried.

5.3 Review of Jan. 6, 2023 Finance Committee minutes

Brandon Kyker made a motion to approve the minutes. Liz Heneks seconded. All in favor, the motion carried.

6.0 Old Business

6.1 Committee Chair Updates

- Community Awareness – Brandon Kyker gave a short update about the need to more adequately provide community outreach and engagement to landlords.

- Finance – Bill Meath said the committee met to recommend ESG funding. He said there has been discussion about how funding is being spent and the ability for the county to move money around as needed. He said there is a need for more to become involved in the finance committee, and noted his term is done in September.

- Housing and Services – Andrew Turner said there hasn't been a meeting in awhile but there is one coming soon. There is hope that by next cold season there is a drop-in or day center of some sort available.

6.2 HMIS and Coordinated Entry

Joe Davis said in-person training is scheduled for May 16 and 17. There will be a basics overview as well as projects specific trainings.

Gina Zinck coordinated entry is at a bit of standstill. There's no referrals out there and only one person in the assessment process. There were some concerns with achieving functional zero for Built for Zero that is currently being discussed that involves some data recording issues. Sue Rose asked if other counties that have achieved functional zero have the same issue. She said the problem seems to be unique to McHenry County.

6.3 Gaps and System Updates

Gina Zinck said she's seen larger families with limited English lately. PADS has been working through it, but that the families come with a different set of barriers.

Liz Heneks said there are no fair market rate apartments available. The clients HOS is working with can't pay the difference. Sue Rose agreed and said even people with good credit aren't finding places to live. Donna Rasmussen said she's even seen landlords asking for five times the rent upfront.

Aimee Knop wondered what the problems at Prairieview are right now. Liz Heneks said there are horrible conditions including poor conditions, hidden fees for renters and an overall challenge working with the landlord. Aimee asked how we funnel information about poor living conditions or illegal evictions. Brandon Kyker said they can be sent to him, and that any pictures taken of poor living conditions will be helpful.

Donna Rasmussen spoke about a grant to help people with rental assistance, but indicated funds are nearly expended.

6.4 Strategic Planning Committees

Liz Heneks noted there are three subcommittees that have been created. Brandon Kyker said there's a plans group, a housing and services group and a partners and resources group.

6.5 Emergency Solutions Grant – Update and Funding Recommendations

McHenry County Continuum of Care to End Homelessness MEETING MINUTES

Brandon Kyker spoke about the ESG state formula that determined the county's total dollar allocation. He apologized for the short time period to complete documents.

In the packet, the recommendations are shown. Bill Meath said funding was calculated based on scoring and some requirements for how funding is distributed.

Liz Heneks asked if she could see the scoring rubrics. Brandon Kyker said the rubrics could be sent after the meetings.

Brandon Kyker made a motion to approve the funding as recommended. Bill Meath seconded. Voice vote as follows and the motion passed:
